Annual Tax Collection Report:

Fiscal Year Ending June 30, 2023

To the Honorable Jeff Landry, Governor of Louisiana, and Members of the Louisiana Legislature:

I am pleased to present the Louisiana Department of Revenue's Annual Tax Collection Report for the fiscal year July 1, 2022, through June 30, 2023.

During the reporting period, the department's employees and management team continued the proud tradition of customer service that Louisiana's taxpayers deserve and have come to expect.

When natural disasters struck the state, the department supported recovery efforts by providing much-needed tax relief to Louisiana taxpayers. When severe weather caused widespread damage and power outages in June 2023, we provided sales, severance, excise, and withholding tax filing and payment extensions to businesses in 21 parishes. And when a historic saltwater intrusion affected taxpayers living and working along the Mississippi River, the department granted income and franchise tax filing extensions to taxpayers in Jefferson, Orleans, Plaquemines, and St. Bernard parishes.

We administered significant tax and tax-related policy changes, including:

- Lowering of income tax rates for individuals and corporations with modifications to two major individual income tax deductions
- Automatic six-month individual income tax filing extensions, effective for tax years beginning Jan. 1, 2022
- Optional partnership elections to remit tax at the partnership level in lieu of each partner remitting tax

We also participated and provided informative testimony in the House Ways & Means Subcommittee which studied the state's tax structure, including state tax exemptions and credits, prior to the 2023 Regular Session.

Also during the reporting period, the department continued the restoration of full customer service to regions of the state that had been underserved since state budgets cuts forced the closures of our regional offices in 2012. In December 2022, we re-opened our regional office in Monroe, bringing full taxpayer services back to northeast Louisiana. This followed the reopening of offices in Lafayette and Alexandria, and preceded the re-opening of the Shreveport office in November 2023.

The collection of tax revenues to fund public services in Louisiana remains the core mission of the Department of Revenue. During the reporting period, the tax collection program generated nearly \$13 billion, including:

- \$6.1 billion in income and franchise taxes
- \$4.5 billion in sales taxes
- \$1.4 billion in natural resource severance and petroleum product taxes
- \$324 million in liquor and tobacco taxes

The dedicated professionals of the Louisiana Department of Revenue stand ready to continue building on these and other accomplishments for the benefit of our state and its people.

Yours in public service,

A handwritten signature in black ink, appearing to read "Richard Nelson".

Offers in Compromise

Louisiana Revised Statute 47:1578 authorizes the Secretary of Revenue, under certain conditions, to compromise a judgment for taxes and cancel or release a lien, privilege, mortgage, or other encumbrance.

Under this authority, the Secretary can accept less than full payment as a final settlement for a state tax liability. The statutory conditions for such a settlement are “serious doubt” as to collectability of the tax due or the taxpayer’s liability for the tax, and a higher collection cost than the outstanding liability. The judgment for taxes compromised must be \$500,000 or less, excluding interest and penalty.

Voluntary Disclosure Agreement Program

The Voluntary Disclosure Agreement (VDA) program helps coordinate the registration and payment process and provides general responses to tax related questions. Taxpayers meeting all of the following requirements are eligible for consideration of a VDA:

- Have a filing requirement for a qualified tax administered by the Department
- Are not currently registered with the Department for the same tax
- Have not been previously contacted by the Department concerning their filing requirement

Through the VDA program, taxpayers may anonymously enter into agreements and voluntarily pay their taxes with no penalty. After the tax and interest liabilities are paid for the look-back period, delinquent penalties will be waived unless the tax being disclosed has been collected but not remitted. In instances where tax is collected, but not remitted, a request to waive some portion of the penalty will be considered on a case-by-case basis.

Inquiries regarding VDAs, the signing of agreements, making of payments and waiver of penalties typically cross multiple fiscal years. The information below represents the agreements finalized and waiver of penalties during the current fiscal year, the number of accounts associated with those waivers and the amount collected on those accounts.

Individual Income Tax

Cash Collections After Accrual Adjustments

Louisiana's individual income tax is based on federal tax laws for simplification, although Louisiana's tax is not a true "piggyback" system. The starting point for the computation of the tax is the federal adjusted gross income. A deduction is also allowed for the amount of federal income taxes paid through tax year 2021.

Effective January 1, 2022, the Louisiana individual income tax rates are:

A taxpayer filing single, married filing separately, or head of household:

- 1.85% of the first \$12,500 of taxable income;
- 3.50% of the next \$37,500;
- 4.25% of the taxable income over \$50,000.

A qualified widow(er) or married persons filing jointly:

- 1.85% of the first \$25,000 of taxable income;
- 3.50% of the next \$75,000;
- 4.25% of the taxable income over \$100,000.

For periods beginning January 1, 2009 through December 31, 2021, the Louisiana individual income tax rates are:

A taxpayer filing single, married filing separately, or head of household:

- 2% of the first \$12,500 of taxable income;
- 4% of the next \$37,500;
- 6% of the taxable income over \$50,000.

A qualified widow(er) or married persons filing jointly:

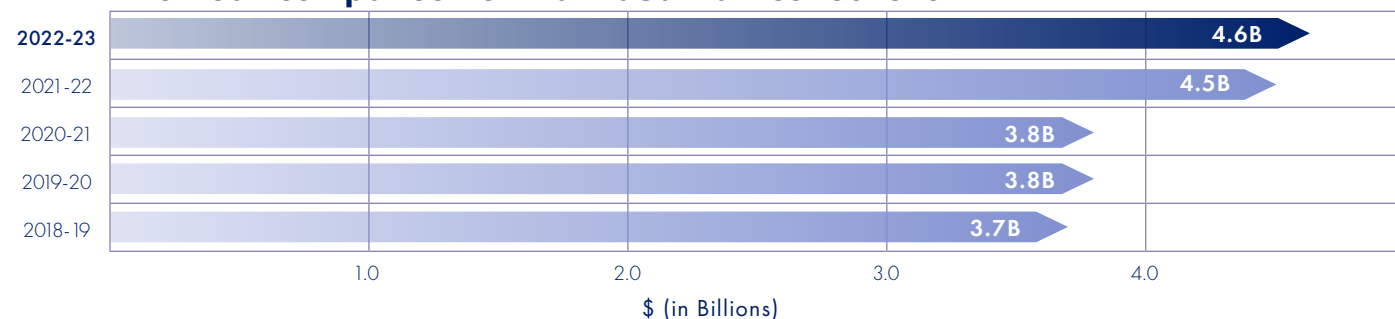

- 2% of the first \$25,000 of taxable income;
- 4% of the next \$75,000;
- 6% of the taxable income over \$100,000.

State Sales Tax Collections

Cash Collections After Accrual Adjustments

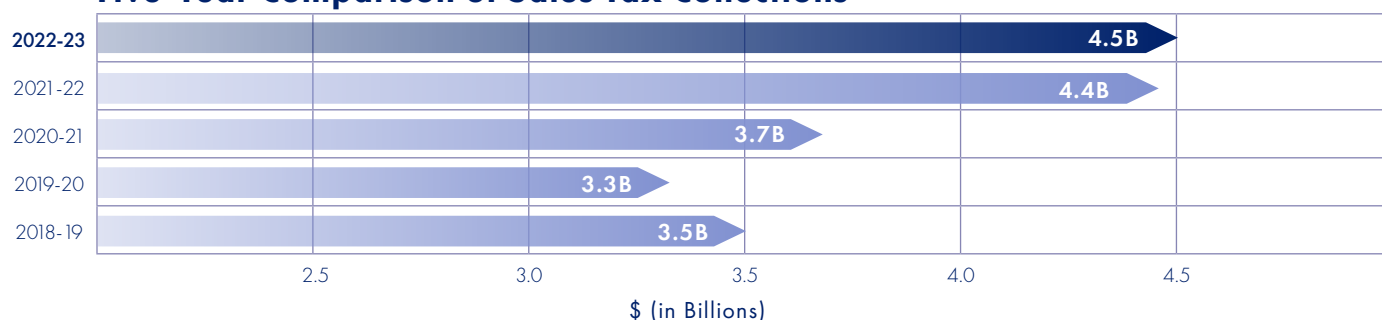

The 4.45% state sales tax rate is composed of 4.42% general sales tax and .03% Louisiana Tourism Promotion District sales tax. The tax is levied on retail sales of tangible personal property, goods used or stored for use in Louisiana, leases and rentals of tangible personal property, and sales of certain services.

Although many exemptions are provided by statute, after passage of Act 1 of the 2018 Third Extraordinary Session, certain sales tax exclusions and exemptions were operative and in effect beginning July 1, 2018 and were exempt from state sales tax. All other sales tax exclusions and exemptions were not in effect and were subject to state sales tax at the effective rate of 4.45%.

Tobacco Tax

The tobacco tax is collected on the sale of stamps for cigarettes and on monthly reports on cigars, other tobacco products, and vapor products.

Tax stamps can be purchased only from the Department of Revenue and must be affixed on the premises of the wholesale tobacco dealer.

Every registered tobacco dealer must affix tax stamps in the required denominations and amount on the cigarette packages immediately after receipt of any unstamped cigarettes.

Every registered tobacco dealer receiving and handling cigarettes, cigars, other tobacco products, and vapor products in Louisiana upon which tax has not been previously paid must file a report with the Secretary of Revenue within 20 days after the end of each calendar month.

The tobacco tax is collected from the first dealer handling the tobacco product in the state.

Tax rates on tobacco products are as follows:

1. Cigarettes: \$0.054 per cigarette (\$1.08 per pack of 20 cigarettes)
2. Cigars (up to \$120 per thousand): 8% of invoice price
3. Cigars (over \$120 per thousand): 20% of invoice price
4. Smokeless tobacco: 20% of the invoice price
5. Smoking tobacco: 33% of invoice price to wholesaler
6. Vapor products: \$0.05 per milliliter of consumable nicotine liquid solution
